

Getting the most out of your theatre visit

Do

Respect the cast and other members of the audience:

- **Keep your mobile phone turned OFF**
It's embarrassing and disruptive when someone's phone starts to ring during a dramatic moment on the stage.
- **Stay in your seat during the performance**
Wait until the interval to use the toilets
- **Resist the temptation to talk during the performance**
Believe it or not the cast, as well as the people seated near you, will probably be able to hear you.
- **Eat, drink and be merry but ONLY DURING THE INTERVAL**
Opening noisy crisp packets and bags of sweets during the performance can be very disruptive

AND MOST OF ALL

- **Enjoy yourself and ensure that other people around you can enjoy it too.**
